

Prof. (Dr.) Manoj Kumar
Vice-Chancellor

DAV University, Jalandhar, Punjab (India) - 144012

Phone: +91-181-2708844, **Mobile:** 9872203898, 9478101102

E-mail: vc@davuniversity.org, drmanojkumarindia@gmail.com

LinkedIn: <https://in.linkedin.com/in/dr-manoj-kumar-56183928>

Residence: 251, Lajpat Nagar, Jalandhar, Punjab (India) -144001

Phone: +91-181-2983898

Job Profile

Education, Administration, Vocational Training & Research

Date of Birth and Age

29th Aug 1969, 56 years

**Educational
Qualification**

- B.E (ECE) from Gulbarga University (1990)
- M.Tech. (ECE) from Punjab Technical University, Jalandhar (2001) – Silver Medalist in the University
- Ph.D from Punjab Technical University, Jalandhar (2007)

Field of Specialization

- Optical & Wireless Communication System
- Leadership Management

**Employment History
(Teaching & Research):
35 years**

Current

- Vice-Chancellor, DAV University, Jalandhar since Sept 26, 2022.
- Dean's Visiting Scholar, University of Memphis School of Public Health, USA since Aug 1, 2024.
- President – Jalandhar Management Association (JMA) under the aegis of All India Management Association (AIMA).
- Honorary Colonel / Colonel Commandant in the National Cadet Corps (NCC) since May 2026.

Past

- Principal, DAV Institute of Engg. & Tech. Jalandhar from Sept. 07, 2015 to Sept 25, 2022.
- i. Group Director, CT Institution, Jalandhar.
ii. Director, CT Institute of Engg. Management & Technology, Jalandhar from July 1, 2010 to September 7, 2015.
- Professor & Faculty Head, Department of Electronics & Communication Engg. and Research Centre at DAV Institute of Engg. & Tech., Jalandhar from October 12, 2007 to July 01, 2010.
- Associate Professor & Faculty Head, Department of Electronics & Communication Engg. at DAV Institute of Engg. & Tech., Jalandhar from May 01, 2003 to October 11, 2007.
- Lecturer (Sr. Scale) & Faculty Head in Department of Electronics & Communication Engg. at DAV Institute of Engg. & Tech., Jalandhar from July 10, 2001 to April 30, 2003.
- Lecturer, Mehr Chand Polytechnic, Jalandhar from February 1992-July 2001.
- Lecturer, Seth Jai Prakash Polytechnic, Damla (Yamuna Nagar) from August 1991-January 1992.

Significant Distinctions

1. 150 plus Research Publications in leading International and National Journals & Conferences.
2. Signed MoU with Provost, University of Memphis, School of Public Health, USA to facilitate sharing of innovative teaching methods and public health curriculum offering joint academic programmes, student-faculty development & exchange, collaborative research work leading to publications, fellowships and organization of joint workshops and conferences (2023) (<https://www.memphis.edu/publichealth/news/archive/2024/mou-davuniv-uofsph-20240129.php>).
3. Interacted with the Research Scholars & Faculty of Light Wave Technology Labs at Columbia University & Princeton University in USA for exchange of Know How in the frontier & emerging areas of Technology during Dec. 2004.

4. Grant-in-Aid worth Rs.7 lakh under 'Mission Life' from Punjab State Council for Science & Technology (PSCST) at DAV University, Jalandhar (2022-23).
5. Grant-in-Aid worth Rs.1 lakh under 'GRIP - Grass Root Innovators of Punjab project' from Punjab State Council for Science & Technology (PSCST) at DAV University, Jalandhar (2022-23).
6. Grant-in-Aid worth Rs.2.31 lakh from ISTE for FDP at DAVIET, Jalandhar (2020-21 & 2021-22).
7. Grant-in-Aid worth Rs.1.5 lakh from IKGPTU for FDP at DAVIET, Jalandhar (2019-20).
8. Grant-in-Aid worth Rs.3.23 lakh under PMKVY from AICTE at DAVIET, Jalandhar (2018-19 & 2019-20).
9. Grant-in-Aid worth Rs.0.56 lakh under DST – NIMAT Project from Entrepreneurship Development Institute of India at DAVIET, Jalandhar (2017-18 & 2018-19).
10. Grant-in-Aid worth Rs.0.35 lakh for Science / Mathematics Day from Punjab State Council for Science & Technology (PSCT) at DAVIET, Jalandhar (2017-18 to 2021-22).
11. Grant-in-Aid worth Rs.3.22 lakh and Rs.1.25 lakh from AICTE for National Conference and Short-term Training Programme at DAVIET, Jalandhar (2008-09).

**Memberships /
Fellowships in
Professional Societies,
Boards, Universities and
Councils**

Fellow Memberships

- Founding Fellow, Punjab Forum for Science & Technology Communications.
- Fellow, The Institution of Engineers (India) F-1233471.
- Fellow, The Institution of Electronics & Telecommunication Engineers (IETE) F-222164.
- Honorary Member, Advisory Council, Association of Indian Principals (2024-26)

Life Memberships

- Indian Science Congress Association (ISCA)
- Computer Society of India (CSI)

- Indian Society of Technical Education (ISTE)
- Punjab Academy of Sciences (PAS)

Board Memberships

- Member, BoG, DAV University, Jalandhar.
- Member, Punjab State Advisory Board, Bharat Environment Program (BEP) 2027.
- Member, BoG, CT University, Ludhiana.
- Member Secretary, BoG, DAV Institute of Engg. & Technology, Jalandhar (2015-22).
- Member, Academic Council IKG Punjab Technical University (2022-2024).
- Chairman and Member, Board of Studies; Electronics & Communication Engineering, I K G Punjab Technical University, Jalandhar (2003-09), (2018-21) & (2021-24).
- Member Committee for Ph.D Admissions IKPTU.
- Member, IKGPTU Sports Council.
- Member, Executive Council, PAS (2009-12) & (2018-21).
- FICCI North Region Task Force on Higher Education.
- Member, Committee for framing the norms for Examiner, Head Examiner & Infrastructure Compensation for On Screen Marking (OSM), IKGPTU.
- Member, Committee to explore the possibility and framing the policy for starting online education in the University.
- Member, Committee for opening of Regional Centres in the affiliated colleges of the University.

Awards and Recognitions

1. Honoured with ‘**Outstanding Vice-Chancellor of India Award**’ by **Indian Education Network** during ‘**15th India Education Summit 2025**’ (2026).
2. Under my stewardship, DAV University was honoured with ‘**Best Institution for Sports Laboratories and Research Facilities**’ at

the **‘National Sports and Physical Education Awards 2026’** (2026).

3. Under my stewardship, DAV University was honoured with **‘Education Excellence Award’** for **‘Leading University in Research & Innovation’** by **‘Service Export Promotion Council (SEPC)’**, Set up by Ministry of Commerce & Industry, Government of India (2025).
4. Under my stewardship, DAV University was honoured with **‘Education Excellence Award’** for **‘Outstanding Contribution to Industry-Academic Collaboration’** by **‘Service Export Promotion Council (SEPC)’**, Set up by Ministry of Commerce & Industry, Government of India (2025).
5. Under my stewardship, DAV University was honoured with **‘Industry-Academia Collaboration for Creating Employability and Entrepreneurship of the Year at LEAP 2025’** by **‘London School of Digital Business’** (2025).
6. Honoured with **‘Outstanding Vice-Chancellor of India Award’** by **Indian Education Network** during **‘India Education Summit-25’** (2025).
7. Honoured with **‘Collegedunia Excellence Award 2024’** for **Education Pioneer of the Year 2024** during **‘Collegedunia Connect: An Education Summit’** (2024).
8. **‘Education Excellence Award’** by **‘Service Export Promotion Council (SEPC)’**, Set up by Ministry of Commerce & Industry, Government of India (2024).
9. **‘Excellence Awards in Education 2024’** presented by **‘Reliance Animation Academy’**.
10. Award for service to society by **‘Punjab Forum for Science & Technology Communications’** in recognition of exemplary dedication to foster positive change and societal well-being (2023).
11. Under my stewardship, DAV University was ranked **amongst Top 100 Higher-Ed Pioneering Digital Transformation** by **‘Digii100’** (2023).

12. Under my stewardship, DAV University was awarded by **Assocham** for '**Strengthening Social Fabric with Values & Ethics based Education along with Life-skills**' (2023).
13. Under my stewardship, DAV University was awarded by **Assocham** for '**Driving Innovation and Inspiring Minds through Industry-Academia Alliance**' (2022).
14. Under my stewardship, DAV University was honoured by **Assocham** for '**Digital Distinction: Technology Conformance to NEP**' (2022).
15. Awarded by District Administration, Jalandhar with a Medallion and a **Certificate of Merit on the Independence Day 2018** for outstanding contribution to education and various government programs.
16. Under my leadership, DAVIET was conferred with 'Outstanding Institution Award (Engineering Colleges)' by National Institute of Technical Teachers Training and Research, Chandigarh (NITTTR) (2018).
17. "**LMA – Dayanand Munjal Award for Manager of the year 2017**", the most prestigious annual award instituted by Ludhiana Management Association (under AIMA) since 1984 & sponsored by Hero Cycles Limited, Ludhiana, for outstanding innovative and leadership achievements.
18. Under my leadership, DAVIET was conferred with '**Award for Education Excellence**' by The Indus Foundation during Indo-Global Education Summit & Expo 2017.
19. Under my leadership, DAVIET, Jalandhar ranked 17th in the category of **Outstanding Engineering Colleges of Excellence in India** as per CSR-GHRDC Survey-2022 conducted by Global Human Resource Development Centre.
20. Under my stewardship, DAVIET was ranked 66th in the dream list of **Top Private Engineering Colleges** by 'India Today Survey, 2021'.
21. Under my stewardship, DAVIET has been conferred with the status of 'Host Institution (HI)/ Business Incubator (BI)' by MSME, New Delhi, under the scheme "Support for Entrepreneurial and Managerial Development of SMEs through Incubators" in 2018. The objective of the scheme is to provide early-stage funding to nurture innovative business ideas that could be commercialized in a year.

The scheme provides financial assistance up to Rs.15 lakh for each incubate /idea subject to overall ceiling of Rs.62.5 lakh for each business incubator.

22. DAVIET accredited with grade ‘A’ by NAAC in October, 2017; and recognized by UGC under section 2(f) under my stewardship.
23. **“Jewel of India”** award by Indian Solidarity council (2006).

Certifications, Professional Affiliations and Special Honors

1. CMI Level 5 Certification on Leadership Management from Chartered Management Institute UK.
2. HMM10: Leading and Motivating
Harvard Manage Mentor & MISSION 10X-LEVEL2
3. HMM10: Goal Setting
Harvard Manage Mentor & Mission 10X-LEVEL2
4. HMM10: Time Management
Harvard Manage Mentor & MISSION 10X-LEVEL2
5. HMM10: Difficult Interactions
Harvard Manage Mentor & MISSION 10X-LEVEL2
6. AICTE-UKIERI **“Technical Leadership Development Program”** supported by British council for the AY 2018-19.
7. **“UK Study Tour”** by AICTE & British Council under UKIERI project in 2019 to represent India.
8. **“Master Trainer”** by AICTE under AICTE-UKIERI Technical Leadership Development Program supported by British council (the only from the northern states of Punjab, Haryana, Himachal Pradesh and Jammu & Kashmir).
9. Program Evaluator/Assessor for NBA and NAAC.
10. Academic Advisor for National Cyber Safety and Security Standards.
11. Reviewer, Elsevier Science’s International Journal-Optical Fiber Technology, Springer Nature’s Journal of Optics, ICFAI Journals and World Scientific & Engineering Academy and Society (WSEAS) for international conferences.

Patents

1. Patent titled INTEGRATED DIGITAL COMMUNICATION SYSTEM FOR SENDING, RECEIVING AND MANAGING

EMAILS AND SHORT MESSAGES numbered as 202011044438A, dated 13/10/2020 published by Patent Office on 19/03/2021.

2. Patent titled ILLEGAL ACTIVITIES DETECTION THROUGH CCTV SCANNING USING IMAGE PROCESSING numbered as 202211020135A, dated 4/4/2022 published by Patent office on 22/4/2022.
3. Patent titled ENERY HARVESTING HEALTH MONITORING DEVICE numbered as 475097-001, dated 27/09/2025 published by Patent office on 18/12/2025.
4. Patent titled MULTISENSOR EQUIPPED WATER MONITORING MACHINE numbered as 475095-001, dated 27/09/2025 published by Patent office on 15/01/2026.

Research Publications

Annexure-I

Workshops / Conferences/ FDP / STTP/ Seminars organized

Annexure-II

Presentations / Conferences / Workshops/ Seminars attended

Annexure-III

Training, courses attended

Annexure-IV

MoUs / Centre of Excellence established

1. MoU with Larsen & Toubro EduTech Limited (L&T EduTech) for introducing ‘Integrated Program in Mechatronics with Specialization in Electric Vehicle Engineering’ at DAV University, Jalandhar.
2. MoU with Bajaj Finserv for training programmes at DAV University, Jalandhar.
3. MoU with NIT, Delhi for academic & research collaboration at DAV University, Jalandhar.
4. MoU with Intel Technology India Pvt. Ltd. for establishing Centre of Excellence at DAV University, Jalandhar.
5. MoU with Indian Pollution Control Board, New Delhi for academic & research collaboration at DAV University, Jalandhar.
6. MoU with Cambridge University Press & Assessment India Pvt. Ltd. for academic collaboration at DAV University, Jalandhar.
7. MoU with Maruti Suzuki India Ltd. for industry collaborative programmes at DAV University, Jalandhar.

8. MoU with ERP Logic India Pvt. Ltd. for industry collaborative programmes with specialization in SAP at DAV University, Jalandhar.
9. MoU with Texas Instruments for establishing two labs viz. Embedded Systems Lab and Analog Electronics Lab(s) at DAVIET, Jalandhar.
10. Siemens Centre of Excellence & Authorised Training Center (ATC) for imparting training on Solid Edge at CT Group of Institutions.
11. Oracle Academy at DAVIET Jalandhar.
12. Established IBM Centre of Excellence at CT Group of Institutions.
13. Established Centre of Excellence with M/s Sofcon India Pvt. Ltd. on Industrial Automation & Embedded Systems at DAVIET.
14. MoU with M/s Sedulity Solutions & Technologies (SEDULITY), New Delhi to establish "Centre of Excellence in Cyber Security & Cyber Forensics" to organize various Research & Development and Training programs based on latest and emerging technologies for Students, Faculties, Law-Enforcement Agencies, Corporate Professionals, and Research Scholars.
15. MoU with NIT Delhi, NIT, Hamirpur, NIT Jalandhar for Collaborative research project, faculty/student exchange program, co-sponsored and jointly organized seminars, conferences and workshops at DAVIET, Jalandhar.
16. Established "TI Innovation Center" in collaboration with M/s EdGate Technologies (A partner of TI India University Program).
17. Lead the faculty delegation to explore the collaborative interactions between Rsoft Design Group, USA & DAVIET and succeeded in signing of MoU between Rsoft, USA & DAVIET during Dec. 2004.

MoUs signed with International Universities

1. MoU with 'International Consortium of Universities (IIE), Boston, US' and 'The Danish Consortium for Academic Craftsmanship (DCAC), Denmark at DAV University, Jalandhar.

2. MoU with ‘International Skill Development Corporation (ISDC)’ for starting value-added skill programmes at DAV University, Jalandhar.
3. MoU with ‘The University of Memphis’, USA at DAV University, Jalandhar
(<https://www.memphis.edu/publichealth/news/archive/2024/mou-davuniv-uofsph-20240129.php>).
4. MoU with ‘PUM Netherlands Senior Experts’, Netherlands for setting-up an Incubation Centre at DAV University.
5. MoU with Lahti University of Applied Sciences, Finland at CT Group of Institutions.
6. MoU with University of Sri Jayewardenepura, Sri Lanka at CT Group of Institutions.
7. MoU with University of Ontario Institute of Technology, Oshawa (Canada) at DAVIET, Jalandhar.
8. MoU with Trent University, Canada at DAVIET, Jalandhar.
9. MoU with SAIT, Canada at DAVIET, Jalandhar.

Countries Visited

U.S.A, U.K, Canada, France, Italy, Ireland, Pakistan, Singapore, Thailand and UAE

Conference Proceedings

International Conference

1. Varsha, Manju Bala, **Manoj Kumar**, “Comparative analysis of TABU search and genetic algorithm in wireless sensor network”, International Conference on Emerging trends and innovations in Social Sciences, Engineering, Management, Agriculture and Medical sciences held on 26th April, 2019 by Universal Group of Institute jointly with Globally Multidisciplinary Research and Education Association, Vol. 6 (2), pp 71-78, ISSN: 2394-7780
2. V. Dhiman, Himakshi, A. Kaur, and **Manoj Kumar**, “Pragmatic approach to conquer security perturbation in cloud computing using level classification,” in 2ndInternational Conference for Convergence in Technology, I2CT 2017, Vol. 2017-Janua, doi: 10.1109/I2CT.2017.8226119.
3. Manisha Bharti, Ajay K Sharma and **Manoj Kumar**, “Effect and Suppression of Noise in 2D PC/OOC Scheme for Optical CDMA System”, Published as Lecture Notes in Electrical Engineering, Proceedings of ICSNCS-2016, Springer, Vol. 395, pp 261-268, 2016.
4. Manisha Bharti, **Manoj Kumar**, Ajay K. Sharma, “Design and Analysis of OCDMA System using W/T Codes at Different Bit Rates,” International Conference on Communication, Information & Computing Technology (ICCICT), Mumbai, India. Jan. 16-17, 2015.
5. Manisha Bharti, **Manoj Kumar**, Ajay K. Sharma, “Comparative Analysis of FBGs as Encoders for Optical CDMA Systems”, IEEE International Conference on Signal Processing and Communication (ICSC), Noida, India. March 16-18, 2015, doi: 10.1109/ICSP Com.2015.7150627
6. Narpat Singh, **Manoj Kumar**, Manju Bala, “To minimize the error rate in face recognition System using DWT & LDA” ISRO & PTU sponsored International Multi Track Conference on Sciences, Engineering and Technical Innovations at CT Group of Institutions on May 22& 23, 2015.
7. Gurminder Kaur, **Manoj Kumar**, Manju Bala, “Highway propagation modeling using DYMO, FSR & GSR under VANETS,” ISRO & PTU sponsored International Multi Track Conference on Sciences, Engineering and Technical Innovations (IMTC 15) at CT Group of Institutions on May 22-23, 2015, pp 270-272.
8. Priya, **Manoj Kumar**, Harjit Pal Singh, “Data Aggregation Schemes for wireless sensor Networks,” ISRO & PTU sponsored International Multi Track Conference on Sciences, Engineering and Technical Innovations (IMTC15) at CT Group of Institutions on May 22-23, 2015, pp 307-311.
9. Harjit Singh, **Manoj Kumar**, Manju Bala, “Performance evaluation of STAR ZRP, POVRP based on VANETs”, DST & PTU sponsored International Multi Track

Conference on Sciences, Engineering and Technical Innovations at CT Group of Institutions on June 2-3,2014, pp 52-55.

10. Prabhpreet Kaur Bhatia, Vineet Anand, Anurag Sharma, **Manoj Kumar**, “Analysis and Augmentation of IMD in Multi tone Analog CATV Transmission system”, DST & PTU sponsored International Multi Track Conference on Sciences, Engineering and Technical Innovations (IMTC14) at CT Group of Institutions on June 2-3, 2014, pp 151-155.
11. Balwinder Kaur, **Manoj Kumar**, Manju Bala, “Wildfire Detection System Technique: A Survey”, DST & PTU sponsored International Multi Track Conference on Sciences, Engineering and Technical Innovations at CT Group of Institutions on June 2-3, 2014, pp 528 - 531.
12. Manisha Bharti, Ajay K. Sharma, **Manoj Kumar**, “Simulative Analysis of 2-Code Keying Approach using Walsh Hadamard codes to Enhance Security and Reduce Dispersion in OCDMA System”, International Conference on Data Mining and Intelligent Computing (ICDMIC) 2014, doi:10.1109/icdmic.2014.6954260
13. Singh M., **Manoj Kumar**, Malhotra J, “MAC layer protocol & Dynamic access Design using Hybrid CSMA-CA” in International conference on emerging technologies in Electronics Technology GNDU Amritsar from December 20-22, 2013, pp 285-289, ISBN -978-93-82880-92-9.
14. Singh M., **Manoj Kumar**, Malhotra J., “Review On Cognitive Radios: A Revolutionary Idea Behind Optimum Spectrum Utilization” published in Proceedings of National Conference on Recent Trends in Information & Communication Technologies in Association with PTU (RTICT- 2013), pp 207-14., Feb 22-23, 2013.
15. Rishi Singh, **Manoj Kumar**, “Trade-off between fiber dispersion & effective length v/s FWM Penalties in WDM Networks”, 6thIEEE International Symposium on High-Capacity Optical Networks and Enabling Technologies (HONET), held on December 28-30, 2009, at Alexandria, Egypt, pp 236-239, doi: 10.1109/HONET.2009.5423065
16. Kamaljit Singh and **Manoj Kumar**, “Simulative analysis of operating conditions for Raman Amplifier in a hybrid amplification system”, 8th IASTED International conference on wireless and optical communications, May 26-28, 2008, Quebec, Canada.
17. Kamaljit Singh, **Manoj Kumar**, “RIN evaluation for optimum performance of optical transmission system with dispersion compensation”, International computer Science and Technology conference ICSTC 2008), April 1-3, 2008, San Diego California, USA.
18. Kamaljit Singh, **Manoj Kumar**, “Simulative Analysis of operating conditions for Flat amplitude Multi wavelength Brillouin-Raman comb fiber laser”, International

Computer Science and Technology conference ICSTC 2008, April 1-3, 2008, San Diego, California, USA.

19. Gaurav Sethi and **Manoj Kumar**, “Performance analysis of AODV and DSR in MANET- A simulative study”, International computer Science and Technology conference, ICSTC 2008, April 1-3, 2008, San Diego, California, USA.
20. Gaurav Sethi and **Manoj Kumar**, “Performance analysis of AODV, DSR and TORA in mobile ad hoc network – a simulative study”, International technology, education and development conference INTED 2008, March 3-5, 2008, Valencia, Spain.
21. Gaurav Sethi and **Manoj Kumar**, “Simulation and comparison of communication protocols in ad hoc networks”, Paper ID Number: 575- 778, International Conference, WSEAS 2008- 09, February, 18-22, 2008, University of Cambridge, UK.
22. Vasudha, Ajay K Sharma and **Manoj Kumar**, “Investigations on Routing Protocols for Inbound/Outbound Traffic” Accepted for publication in The Fifth International Conference on Computer Tsecurity, ICCNS-2008, Paper ID: CP21, September 26-28, 2008 at Vishwakarma Institute of Technology, Pune, India.
23. Vasudha, Ajay K Sharma and **Manoj Kumar**, “Performance Evaluation of E-mail, FTP and Database Traffic for RIPv2 with EIGRP”, IEEE Sponsored Ninth ACIS International Conference on Software Engineering, Artificial Intelligence, Networking and Parallel/Distributed Computing T (SNPD2008) August 6-8, 2008 at Phuket, Thailand.
24. Gaurav Sethi and **Manoj Kumar**, “Simulative analysis of routing protocols in mobile adhoc networks”, IEEE International conference- “4th International Symposium on High-Capacity Optical Networks and Enabling Technologies (HONET-2007)”, November 18 - 20, 2007, Dubai.
25. Manju Sharma and **Manoj Kumar**, “Comparative Investigation on the Media access Delay in Wireless LAN for a Switched and Routed Network based on OPNET”, IEEE sponsored International conference- “4th International Symposium on High Capacity Optical Networks and Enabling Technologies (HONET-2007)”, November 18 - 20, 2007, Dubai.
26. Sudhir Sharma & **Manoj Kumar**, “Impact of Harmonics in Electrical Distribution Systems”, International Conference on Energy & Environmental Technologies for Sustainable Development, Paper Code: TP-209, NIT, Jaipur, October 8-10, 2003.

National Conferences

1. Rishi Singh and **Manoj Kumar**, “Performance Evaluation of Modulation Data Formats in Standard Single Mode and Dispersion Shifted Fibers” 13th Punjab Science Congress, Punjab University, Chandigarh. Feb, 7-9, 2010.

2. Sheetal Nave and **Manoj Kumar**, “Understanding the Radio Revolution”, published in the proceedings of the National Conference on Optical and Wireless Communication (NCOW-2008) , organized by Department of Electronics & Communication Engineering, DAV Institute of Engineering & Technology, Jalandhar from November 27–28, 2008.
3. Manju Sharma and **Manoj Kumar**, “HTTP and FTP Statistics for Wireless and Wire-Line Network with and without Redundancy Based on OPNET”, published in the proceedings of the National Conference on Optical and Wireless Communication (NCOW- 2008), organized by Department of Electronics & Communication Engineering, DAV Institute of Engineering & Technology, Jalandhar from November 27–28, 2008.
4. Vanita Kamra and **Manoj Kumar**, “Performance Analysis of Single Tone Radio-Over-Fibre System Set-Ups using Different Combinations of Laser Modulation & Optical Pre amplifiers”, published in the proceedings of the National Conference on Optical and Wireless Communication (NCOW-2008),organized by Department of Electronics & Communication Engineering, DAV Institute of Engineering &Technology, Jalandhar from November 27–28,2008.
5. Harsimran Jit Kaur and **Manoj Kumar**, “Performance Evaluation of Digital Modulation Techniques on Radio Over Fiber for 3G and Beyond”, published in the proceedings of the National Conference on Optical and Wireless Communication (NCOW- 2008), organized by Department of Electronics & Communication Engineering, DAV Institute of Engineering & Technology, Jalandhar from November 27–28, 2008.
6. Harpreet Kaur, Neeru Malhotra and **Manoj Kumar**, “FTTH using PON-An Emerging Broadband Network”, published in the proceedings of the National Conference on Optical and Wireless Communication (NCOW-2008), Organized by Department of Electronics & Communication Engineering, DAV Institute of Engineering &Technology, Jalandhar from November 27–28, 2008.
7. Bindiya Jain and **Manoj Kumar**, “Performance Evaluation of NRZ, RZ, CSRZ, CRZ Modulation Formats in UltraLong Haul WDM System”, published in the proceedings of the National Conference on Optical and Wireless Communication (NCOW- 2008), Organized by Department of Electronics & Communication Engineering, DAV Institute of Engineering & Technology, Jalandhar from November 27–28, 2008.
8. Harpreet Kaur, Neeru Malhotra, **Manoj Kumar** and Aarti Kochher, “Performance Analysis of FTTHBPON System with Triple Play”, published in the proceedings of the National Conference on Optical and Wireless Communication (NCOW-2008), organized by Department of Electronics & Communication Engineering, DAV Institute of Engineering& Technology, Jalandhar from November 27–28, 2008.
9. Manju Sharma and **Manoj Kumar**,“Comparative Investigation on Through put and Client Response Time for a Switched and Routed Wireless LAN based on

OPNET” presented and published in National conference on Emerging Technologies in Computing and Communication, ETCC-2007, pp 436-440, held at NIT Hamirpur during July 27-28, 2007.

10. Jagjit Singh, **Manoj Kumar**, “Comparative study of data formats for high bitrate Light wave transmission systems,” 10th Punjab Science Congress, DAV Institute of Engg. & Technology, Jalandhar, February, 7-9, 2007.
11. Kamaljit Singh, **Manoj Kumar**, “Studies on the impact of RI Non the performance of optical transmission,” 10th Punjab Science Congress, DAV Institute of Engg. & Technology, Jalandhar, February, 7-9, 2007.
12. Manju Sharma and **Manoj Kumar**, “Radio-over-Fiber for Cellular Systems: Benefits & Future Trends”, National Conference on “Electronic Circuits & Communication Systems (ECCS-06)”, pp317-323, February 9-10, 2006.
13. **Manoj Kumar** & Ajay K Sharma, “Recent Progress in Dispersion Managed Soliton Transmission Technologies”, IDSS-BC-2003.
14. Sudhir Sharma & **Manoj Kumar**, “Effects of Harmonics on Power Quality” in National Conference on Power Systems & Energy Management at IET Bhaddal, 23rd May, 2003.

Workshop/Conferences/FDP/STTP/Seminars organized

1. Workshop on Leadership Management for the faculty / non-teaching staff of DAV University from July 15-19, 2026.
2. International Conference on 'Mentation, Innovation, and Implication in Chemistry (MIIC-2025)' in Hybrid Mode on April 22-23, 2025 at DAV University.
3. Organized International Conference on 'One Planet, One Health and One Future' from November 22-23, 2023 at DAV University, Jalandhar.
4. International Conference on 'Punjabi Intellectuals Meet' from Nov. 21-22, 2024 at DAV University.
5. Panel Discussion on 'Handling Stress: Staying Calm Towards the Creation of Destiny' on Feb 20, 2024.
6. Workshop on 'Neuro and Biofeedback Therapy' on Nov 16-17, 2023.
7. Workshop on 'Suicide Prevention-Celebration of World Suicide, Prevention Day' on Sept 13, 2023.
8. Organized International Conference on 'Machine Learning and Human-Computer Interaction (MLHCI 2023)' from April 27-28, 2023 at DAV University, Jalandhar.
9. Organized International Conference on 'Intellection, Innovation and Implication in Chemistry, IIIC-2023' from April 18-19, 2023 at DAV University, Jalandhar.
10. Organized workshop on 'Intellectual Property Rights' on April 7, 2023 at DAV University, Jalandhar.
11. Organized Two-day Workshop on "Millets as future food: Popularization and Improvement for sustainable agriculture" from March 28-29, 2023 at DAV University, Jalandhar.
12. Organized "Understanding Autism: Intervention and Strategies" on March 28, 2023 at DAV University, Jalandhar.
13. Organized Capacity Building Workshop on sustainable development from March 23-25, 2023 sponsored by Punjab State Council for Science & Technology, under Environment Education Program supported by Ministry of Environment, Forest & Climate Change, Govt. of India under Mission LiFE at DAV University, Jalandhar.
14. Organized workshop by the 'City Needs Innovations Pvt. Ltd. Co.' on March 17, 2023 at DAV University, Jalandhar.
15. Organized a 3-day webinar series on quantum and cyber security from March 13-15, 2023 at DAV University, Jalandhar.

16. Organized “Workshop on Yoga and Healthy habits” on 13th March 2023 at DAV University, Jalandhar.
17. Organized a workshop to sensitize students towards community service from March 6-10, 2023 at DAV University, Jalandhar.
18. Organized awareness programme on Grassroot innovations Event: Awareness Program on Grassroot Innovations from Feb 27-March 3, 2023 at DAV University, Jalandhar.
19. Organized a workshop by TRUE SCOOP on Feb 24, 2023 at DAV University, Jalandhar.
20. Organized One-day Seminar on ‘MUSHROOM CULTIVATION’ on Feb 16, 2023 at DAV University, Jalandhar.
21. Organized “International Day of Women and Girls in Science” on Feb 15, 2023 at DAV University, Jalandhar.
22. Organized National Mathematics Day sponsored by NCSTC, DST (GOI) and PSCST (Punjab State Council of Science and Technology) on January 30, 2023 at DAV University, Jalandhar.
23. Organized “Training session on agrochemicals, application and safety measures” on Dec 6, 2022 at DAV University, Jalandhar.
24. Organized “Seminar on career and internship opportunities for agriculture graduates in UPL group” on Dec 2, 2022 at DAV University, Jalandhar.
25. Organized AICTE-UKIERI Technical Leadership Development Program(s) at DAVIET, Jalandhar for North India as Master Trainer from November 23-26, 2021 and January 18-21, 2022.
26. Organized AICTE-ISTE sponsored FDP on Advances in Material Processing and Characterization from January 05-11, 2022
27. Organized AICTE-ISTE sponsored Induction/refresher program(s) on Advance Materials and Processes for Sustainable Intelligent Manufacturing from December 21-26, 2020 and June 07-12, 2021.
28. Co-ordinator, 22nd Punjab Science Congress held at DAV Institute of Engg. & Tech. Jalandhar in collaboration with IKG PTU, Jalandhar & Punjab Academy of Sciences of Patiala, Feb,7-9, 2019.
29. Organized International Interdisciplinary Conference on Science, Technology, Engineering, Management, Pharmacy and Humanities jointly by DAVIET, Jalandhar, and Nanyang Technological University, Singapore on April 22 & 23, 2017 at Singapore.
30. Organized International Interdisciplinary Conference on Engineering Science and Management jointly by DAVIET, Jalandhar, Biju Patnaik University of Technology, Odhisa and IRP on December 17 & 18, 2016 at The Crown Goa.

31. Conference Chair and Moderated Panel discussions on :Leveraging Technology for Smart & Digital India" in 3rd DAV National Congress on Science, Technology, Engineering, Humanities & Management (STEHM-2016) titled "Transforming India into a Knowledge Economy" on May 20-21, 2016 at DAV Institute of Engg. & Technology, Jalandhar.
32. Organized one week Faculty Development Program on "Make in India-Role of IT Services" from June 22-28, 2015 organized at CT Institute of Engineering Management Technology, Shahpur, Jalandhar.
33. Conference Chair, ISRO & PTU sponsored International Multi Track Conference on Sciences, Engineering and Technical Innovations (imtc15) at CT Group of Institutions on May 22 & 23, 2015.
34. Moderator & Panelist in Panel Discussion Session on "Make in India- A Call for Initiatives" during International Multi Track Conference on Sciences, Engineering and Technical Innovations (IMTC 15) at CT Group of Institutions on May 22, 2015.
35. Organized National Student Symposium, "Managing Innovations in Sciences & Technology" (MIST-15) on March 30&31, 2015.
36. One-week Faculty Development Program on "New Approaches of Applied Sciences for making better Engineers" on March 24-28, 2015 organized at CT Institute of Engineering Management Technology, Shahpur, Jalandhar.
37. "Texas Instruments Analog Maker Competition 2014" organized by CTIEMT from September 1 to 5, 2014.
38. Convener, DST & PTU sponsored International Multi Track Conference on Sciences, Engineering and Technical Innovations (IMTC14) at CT Group of Institutions on June 2&3, 2014.
39. Moderator & Panelist in Panel Discussion Session on "India's Preparedness to be amongst the Top100 Universities of the World" during International Multi Track Conference on Sciences, Engineering and Technical Innovations (IMTC14) at CT Group of Institutions on June 2, 2014.
40. National Seminar on "RECENT TRENDS" in Mechanical Engineering, organized by Deptt. of ME, CT Institute of Engg., Management & Technology, Jalandhar, March 8, 2013.
41. Patron, Two days Hands-on workshop on "Prologue and Relevance of Mentor DSP" organized by Deptt. of ECE CT Institute of Engg., Management & Technology, Jalandhar, Feb 7 & 8, 2013.
42. Conference Director, National Conference on "Recent Trends in Information & Communication Technologies", organized by Dept(s) of CSE & ECE, CT Institute of Engg., Management & Technology, Jalandhar, February 22&23, 2013.

43. One Day Workshop on “Innovation in Solar Thermal Technologies”, Deptt.Of Electrical Engg., CT Institute of Engg., Management & Technology, Jalandhar, January 30, 2013.
44. Convener, National Conference on “Higher Education in India- The Changing Facet” Organized at CT Institute of Engg., Management & Technology, Jalandhar on January 4&5 2013.
45. Moderated Panel discussions on “Campus to Corporate-Industry Academia Connect” in association with IBM on Oct 17, 2012.
46. Convener, FDP on “Optical & Wireless Systems and Networks” organized by Department of Electronics & Communication Engg., CT Institute of Engg., Management & Technology, Jalandhar held from May 28-June 1, 2012.
47. Patron, FDP on “Importance of Applied Sciences In Engineering” by the Department of Applied Sciences, CT Institute of Engg., Management & Technology, Jalandhar on May 15-19, 2012.
48. FDP on “Wipro Mission 10 X Certification Program (Level II) held from March 26-27, 2012.
49. FDP on “Faculty Empowerment Program” under Wipro Mission 10x (Level II), held from March 14-18, 2011.
50. AICTE sponsored STTP on “Generic Skills Development” organized by the Department of Applied Sciences, CT Institute of Engg., Management & Technology, Jalandhar in association with NITTTR held on December 19-23, 2011.
51. Convener, National Conference on “Optical and Wireless Communication (NCOW-2008)”, Organized by Department of Electronics & Communication Engineering, DAV Institute of Engineering & Technology, Jalandhar in association with Institution of Engineers (India) & Rsoft Design Group, USA from November 27-28, 2008.
52. Co-ordinator, 10th Punjab Science congress held at DAV Institute of Engg. & Tech. Jalandhar in collaboration with PTU, Jalandhar & Punjab Academy of Sciences of Patiala, Feb, 7-9, 2007.

Presentations / Conferences / Workshops / Seminars attended

1. Chief Guest at ‘Chahunda Hai Punjab, Mud Chaliye Shikhran Val’ organized by ‘Panchnad Shodh Sansthan, Jalandhar Adhayan Kendra’ on March 22, 2026 at Dayanand Ayurvedic College, Jalandhar.
2. Selected for United Kingdom Study Tour under UKIERI- AICTE Technical Education Leadership Development Programme from 14th -19th October 2019.
3. Attended a workshop of AICTE- UKIERI Leadership Development Program held from 19th to 21st June, 2019 (Batch-II) at North-Eastern Hill University (NEHU), Umshing, Mawkynroh, Shillong, Meghalaya
4. Resource Person during Workshop for faculty for the “Preparation of NAAC Process” organized by Khalsa College of Engineering & Technology, Amritsar on 3rd Oct., 2019.
5. Attended Assessor’s Orientation Programme organized by NAAC at Panjab University Chandigarh on 23rd April, 2019.
6. Resource Person in One Week AICTE & IKGPTU Sponsored Faculty Development Program on “Recent Trends in Renewable Energy Sources & Technologies” organized by Department of Electrical Engineering, DAVIET, Jalandhar from 25th to 29th November, 2019.
7. Attended a workshop under the AICTE-UKIERI Leadership Development Program held during 19th to 22nd November, 2018 at AICTE Headquarters, Nelson Mandela Marg, Vasant Kunj, New Delhi.
8. Delivered Key Note Address in National Conference on High Performance Networks and Communication” organized by Khalsa College of Engineering & Technology, Amritsar in association with Department of Science & Technology, Govt. of India on November 6-7, 2017.
9. Presented paper on “Internet of Things and its Smart Applications: A Review” in the National seminar on “Scientific and Technical Terminology in Science & Technology” held on September 13-14, 2017 at DAVIET, Jalandhar.
10. Delivered Keynote Address on "Recent Trends In Optical Transmission Networks" in International Inter-Disciplinary Conference on Engineering Science & Management held in Goa-India on December 17-18, 2016.
11. Attended Workshop on "Quality Initiatives in Technical & Higher Educational Institutions (in compliance with NBA & NAAC Accreditation) On May 03-05, 2016 organized by Engineering staff college of India, Hyderabad.

12. Participated as delegate in 3rd World Summit on Accreditation (WOSA-2016) on the theme “Quality Assurance through Outcome Based Accreditation” held on March 18-20, 2016.
13. Attended “National Leadership Conclave” on the theme “From Agenda to Action: Meeting New Expectations” 29 – 30 April, 2015 at New Delhi organized by AIMA.
14. Participated in Panel Discussion Session on “Technology Management” in SME Conclave - Pathway to Business Success- A Way Forward: Flagship National Programme of AIMA, New Delhi as Panelist and Moderator on Friday, February 27, 2015 at Hotel Cabbana, Jalandhar.
15. Delivered Invited Talk on “Creativity & Innovation” in FDP programme on "Entrepreneurship Development" sponsored by DST & EDII, Ahmadabad organized by GNDU College, Ladowali Road, Jalandhar from 18th Dec, 2014 to 29th Dec, 2014.
16. Delivered Invited Talk on “Essentials of Academic Leadership” in NAAC sponsored 2-Day National Conference on “Role of Governance, Leadership and Management for Quality Enhancement in Higher Educational Institutions” on September 5-6, 2014 Organized by Hans Raj Mahila Mahavidyalya, Jalandhar.
17. Delivered an expert lecture during PTU sponsored National Conference on “Innovation in Engineering & Information Technology (IEIT-14)” held at Khalsa College of Engineering & Technology, Amritsar on March 28-19, 2014.
18. Attended National Conference on “Changing Landscape of Higher Education” organized by Joint Action Committee, Punjab on March 28, 2010
19. Delivered Key Note Address in UGC Sponsored National Conference on “Role of IT in Education”, Organized by Department of Computer Science at DAV College Amritsar from Feb. 28-March 1, 2009.
20. Delivered an expert talk on “Wimax” in winter school on “Recent trends in Mobile Computing& Communication Technologies”, Organized by Department of Computer Science & Engg., N.I.T Jalandhar from Dec.22, 2008 to Jan. 02, 2009.
21. Convener, National Conference on Optical and Wireless Communication (NCOW- 2008), Organized by Department of Electronics & Communication Engineering, DAV Institute of Engineering & Technology, Jalandhar in association with Institution of Engineers (India) & Rsoft Design Group, USA from November 27–28, 2008.
22. Conducted a ZOPP planning workshop at Doaba Institute of Engg. & Technology, Kharar in Sept. 2008.

23. Attended National Conference on “Innovation in Education”, July 27-28, 2008 at India Habitat Centre organized by DIEMR at Mumbai, India.
24. Selected as Chairman for three sessions in WSEAS International Conference at Cambridge University, U.K from Feb. 20-22, 2008.
25. Participated in INTEL sponsored International Conference “Intel Developer Forum India”, Oct.10-11, 2006 at Bangalore.
26. Co-chaired a panel discussion session on “Next Generation Wireless Technologies” and chaired paper presentation session in the International Conference (ICCSA-2006) held during June 27-29, 2006 at National University, San Diego, California, USA.
27. Attended National Conference on “Quality in Education: Challenges & Responses”, April 7-9, 2006 organized by DIEMR at Mumbai, India.
28. Lead the faculty delegation to explore the collaborative interactions between Rsoft Design Group, USA & DAVIET and succeeded in signing of MOU between Rsoft, USA & DAVIET during Dec. 2004.
29. Interacted with the Research Scholars & Faculty of Light Wave Technology Labs at Columbia University & Princeton University in USA for exchange of Know How in the frontier & emerging areas of Technology during Dec. 2004.
30. Attended Two-Day Conference on Field Programmable System on Chip World Semiconductor Forum GOSPL from 30-31 Oct.2004.
31. Attended Microsoft Academia Summit-2004 at Bangalore on April 14-15, 2004.
32. Attended International Conference (INAE) on Nanotechnology (ICON-2003) organized by Indian National Academy of Engg. at CSIO, Chandigarh.
33. Delivered expert talk on “Optical Soliton Transmission System” in ISTE sponsored STTP on Optical Communications-emerging Trends; It’s Role and Technology appreciation from March 31st to April 11th 2003 at Punjab Engineering College, Chandigarh.
34. Attended International Conference on “Culture of Peace & Non-Violence” at Hans Raj Mahila Maha Vidyalaya, Jalandhar from 19th –21st December, 2002.
35. Delivered expert talk on “E-Learning” during one day seminar on “Software Solutions” at Hans Raj Mahila Maha Vidyalaya, Jalandhar on 30th January, 2002.
36. Delivered expert talk on “Role of Electronics in our life”, during eFest” at DAV College, Amritsar on 9th February, 2003.

Annexure-IV**Trainings, courses attended**

- Training on Opt Sim Simulation Tools at Rsoft, USA.
- Training Courses, Teaching-Learning Evaluation, Technology Programmes, Faculty Development Programmes (not less than one week duration)

S. No.	Programme	Duration	Organized by
1.	Electronic Components & Materials	08 weeks May25 to July19, 1992	Indian Institute of Technology (IIT), New Delhi
2.	Maintenance of Electronic Equipment	08 weeks March 01 to April 23, 1993	NTTF Electronics Training Centre, Bangalore
3.	Electronic Communications	08 weeks Nov 21 to Jan 11, 1993	Indian Institute of Technology (IIT), New Delhi
4.	Analog Electronics-II	08 weeks Oct 30 to Dec22, 1995	Indian Institute of Technology (IIT), New Delhi
5.	Microprocessors & Telecom Equipment	04 weeks May20, 1996 to Jun 14,1996	CEDT, Mohali
6.	7 DayWorkshop in VLSI Design Using VHDL	01 week Feb 28 to Mar 06,2005	M/s. AdvanceTechnology, Chandigarh
7.	AICTE sponsored STTP on “Generic Skills Development”	01week December 19-23, 2011.	NITTTR Chandigarh at CT Institute of Engg., Management & Technology, Jalandhar
8.	AICTE/MHRD collaborative summer school on “Instrumentation and Signal Processing	01Week June21-25, 2010	Jointly organized by Dr. BR Ambedkar National Institute of Technology, Jalandhar and National Institute of Technology, Srinagar.
9.	TEQIP-II sponsored FDP/STTPonICT for Computing &Signal Processing	02 Weeks June03-14, 2013	Jointly organized by Dr. BR Ambedkar National Institute of Technology, Jalandhar and CT Institute of Engg. Management &Technology, Jalandhar.
